**OneWorld Classrooms** is a nonprofit organization recently relocated to the Boston area. Since 1999, we have involved over 10,000 K-12 classrooms in the US and 40+ countries. We welcome your class, school, youth group or library to participate in any of our programs. *"OneWorld Classrooms has changed the way I teach: it has enabled me to teach aspects of world cultures that can't be seen with a text book and has enabled my students to travel the world without leaving our classroom. My students have opened their 'cultural eyes' and developed deeper understandings of world cultures."* 3rd Grade Teacher, Hamburg, NY
