

# OneWorld Classrooms

*Building bridges of learning between the classrooms of the world.*

Introducing: OneWorld Classrooms'

## International Art Exchange

This school year, exchange student artwork with K-12 classrooms from around the world, learn about global cultures and decorate the walls of your class or school with international art — by participating in OneWorld Classrooms' *International Art Exchange*. Please visit our Web site for more information:

[www.oneworldclassrooms.org](http://www.oneworldclassrooms.org)

**OneWorld Classrooms' International Art Exchange** is an easy way for your classes to share student-created artwork with their peers from around the world — and an authentic source for learning about global cultures. We provide specific guidelines and support. You mail your students' artwork (via regular mail) directly to OneWorld Classrooms (in N. Andover, MA), and, upon receiving it, we mail you student artwork by students from a variety of locations around the world. It's that simple! **Please note:** With our *International Art Exchange*, we do NOT match you with a specific overseas partner. Instead, we share your artwork with, and send you artwork from, up to a dozen different schools from various world regions.

### For a fee of \$100 per exchange, you will receive:

- ◆ A total of 25 pieces of student artwork (matching your grade levels) from up to 12 participating schools around the world.
- ◆ Access to OWC's *International Art Exchange* Google Earth tours, featuring all participating schools, hundreds of digitized artwork submissions, student photos and teacher letters with cultural information.
- ◆ Access to OWC's *Travel & Learn Online* content.
- ◆ An opportunity to *Make a Difference* at participating overseas schools in need of support and receive complimentary PowerPoints featuring over a hundred pieces of international student artwork (10-20 slides/PowerPoint).
- ◆ Opportunities to host an OWC *International Art Exchange* volunteer event at your school!
- ◆ **SPECIAL PTA/PTO/HMO OFFER:** We encourage parent involvement! So, when a PTA/PTO/HMO member registers his or her child's class/school, we'll send you a free Pop-up Book Kit from Faber Castell! See Web site for details.

*"The program really helped (my students) visualize how it is in other parts of the world and get a broader understanding of the global community."*

Elementary school teacher, Madrigal, Peru
